

CITY OF NEWARK
Delaware

CONTRACT NO. 16-18

PURCHASE OF ONE (1) CURRENT MODEL YEAR 25 PASSENGER COMMERCIAL BUS,
TWO (2) WHEELCHAIR POSITIONS WITH TWO (2) FOLDAWAY SEATS
ADDENDUM NO. 1

November 1, 2016

Questions Presented By Prospective Bidders:

1. Regarding the bid specifications for the 25+2 bus, would the City of Newark accept another chassis in lieu of International?

Freightliner would be an alternative.

2. If we offered a bus with similar specifications, but on a Ford or Freightliner chassis, would the City find this acceptable?

A chassis from Ford with Cummins engine and Allison transmission would be an alternative.
